

**Engage Technologies Corporation
Corporate Profile**

Engage Technologies Corporation is headquartered in Brooklyn Park, MN. Squid Ink, Eastey, American Film & Machinery (AFM) and Cogent Technologies are all divisions of Engage.

Squid Ink (squidink.com) is a leading manufacturer of coding and marking systems for product identification and traceability, providing superior quality inks and low maintenance printing equipment. Printing systems include hi-resolution piezo systems, continuous ink jet (CIJ), laser, and large character drop-on-demand (DOD) systems. Squid Ink printers and ink are designed to print the highest quality bar codes, batch numbers, date codes, logos and large or small character text, directly onto corrugated cases, plastics, metals, glass, wood and other substrates.

Eastey (eastey.com) is a leading manufacturer of heavy-duty shrink packaging equipment and automated case sealing systems for packaging applications. Eastey's shrink packaging products include a complete line of L-sealers, sleeve wrappers, shrink tunnels and bundling equipment. Eastey also supplies a complete line of case tapers, from entry level bottom- and side-belt tapers, to fully automatic and random size case tapers. Eastey has been in business for over 25 years and has an installed base of over 14,000 shrink packaging systems

American Film & Machinery (afmsleeves.com) is a leading manufacturer and supplier of heavy-duty shrink sleeve labeling equipment, shrink tunnels, and shrink sleeve consumables. AFM's shrink sleeve labeling equipment includes a complete line of shrink sleeve labelers, tamper evident banding equipment, steam tunnels, electric tunnels and infrared tunnels. AFM's labelers range in performance from 50 to 600 products per minute, offering a product and price point no matter what the application demands.

Cogent Technologies (cogent-tech.com) manufactures infrared drying systems used to dry ink in the industrial and graphics industries. Cogent products are designed to increase line speeds, production efficiencies, and meet a wide variety of process requirements in the printing and mailing industries.

Engage Technologies has facilities in Brooklyn Park, MN, Rogers, MN, Spring Lake Park, MN, The Hague, Netherlands, and Shanghai, China. The Company continues to expand sales and services, with authorized distributors strategically located throughout the U.S. and the rest of the world.
